Benefitting

Dear friends:

In 2019 the Elk Grove Regional Scholarship Foundation distributed more than \$265,730 to help 170 local students realize their dream of a higher education. This would not be possible without the support of businesses such as **yours**. Your investment is an important part in making these awards possible, and thank you so much for recognizing the importance of assisting local students, our future, achieve a higher education.

The organization, founded in 1987 celebrates its 33rd year in grass-roots effort to assist Elk Grove's youth. Since its inception, the **Elk Grove Regional Scholarship Foundation** has generated, managed, endowed, and distributed scholarships to thousands of local youth. As the cost of a college education continues to rise, so does the number of students who need assistance. Increasing the size of scholarships and number of students assisted can only be accomplished through continued **support from our caring community "YOU"**.

"Bounty on the Boulevard" is the Foundation's primary fundraising event. Guests will enjoy a five-course meal prepared by local chefs under the direction of Rebecca Pasqual of The Sheldon Inn Restaurant and Bar.
